

Unattended Dismissal Permission Form

With parent permission, 6th through 8th grade students may be dismissed at the end of the school day without direct adult supervision. Students will NOT be permitted to leave the school unaccompanied, either walking or on a bike, unless this form is completed and returned to the school office. Parents are expected to communicate to their students the importance of safe travel habits while walking and biking, and each student is required to sign below indicating they understand and agree to the safe travel procedures set forth by the family. For families with multiple students, please list each of your children to which this permission form applies.

My child has permission to be released from school at the end of the school day without supervision. I acknowledge that The Nativity School does not and cannot guarantee the safety of students once they leave school grounds at the end of the day. I further acknowledge that by allowing my child(ren) to leave school unattended, I assume full responsibility for any harm or injuries that may occur.
