

Welcome

BACK TO SCHOOL

4th grade

In fourth grade, most of the necessary supplies will be given to students on the first day of school. **A classroom supply fee of \$30 is appreciated to offset these costs.**

I ask only the following five items be brought in: wired **headphones** (no bluetooth or expensive headphones please), a **favorite chapter novel** to start reading independently in class, and the following class novels:

1. **Hatchet** by Gary Paulson
2. **The Lion, the Witch, and the Wardrobe** by C. S. Lewis
3. **Out of My Mind** by Sharon M. Draper
